

2007
STALLION SERVICE CONTRACT
FOR TRANSPORTED SEMEN

THIS AGREEMENT, made and entered into this _____ day of _____ 20_____,
is between Al-Marah Arabians and

Hereinafter known as "Mare Owner" (recorded owner of mare). If mare is leased, a copy of the lease agreement is required.

This document verifies that Al-Marah Arabians agrees to furnish transported cooled or frozen semen to breed the mare:

Mare Name: _____ Reg. # _____

Date of Birth _____ Color _____ Markings _____

To the Stallion: _____ Reg. # _____

Mare's Owner's Veterinarian: _____

Address _____ Telephone Number _____

In order to comply with Arabian Horse Registry rules and give you the best chance of a pregnancy, mare owner agrees to comply with the following conditions:

1. The mare owner must provide Al-Marah Arabians with a health certificate signed by a licensed veterinarian certifying that the mare is in good physical condition, free from infectious diseases, and in sound reproductive condition prior to semen shipment.
2. The booking fee shall be (\$ _____) (50% of the stud fee) and is due upon return of this signed contract to Al-Marah Arabians. The balance of the stud fee (\$ _____) is due at Al-Marah when your mare is confirmed in foal at 45 days.
3. The mare owner will also be responsible for the cost of the semen shipping process including ground and air transportation, and a refundable deposit on the shipping charges. The initial deposit will be \$500.00. The process and shipping fees will be deducted from the deposit. (See: Summary of Charges Associated with Transported Cooled and Frozen Semen.)
4. The deposit of \$500.00 for shipping cost and equitainer deposit is due at Al-Marah no less than 30 days prior to the first shipment. Please make your check payable to Al-Marah Arabians.
5. **The policy for colts that are gelded: If you geld a colt of a stallion with a stud fee of \$2500, you get a breed back at half the stud fee. In order to qualify the colt will need to be gelded before it reaches one year old. A Veterinarian Certificate including date of geld, will need to be provided to Al-Marah to receive the discount. If we are no longer standing the stallion you may breed back to any other stallion of your choice providing the stud fee does not exceed \$2500. Not to be combined with any other discount and not valid on mare lease breedings.**

6. Al-Marah will include a prepaid return shipping label for the return of the canister/equitainer. The shipping canister/equitainer is to be returned to Al-Marah in good condition within 48 hours after receiving each shipment of semen.
7. The mare owner shall agree to have said mare examined by a licensed veterinarian and inoculated for rhinopneumonitis, influenza, tetanus, EEE, WEE, & VEE; dewormed; a negative uterine culture (taken when mare in heat) AND provide this information to Al-Marah prior to the initial shipment of semen.
8. The mare owner agrees to keep the mare in good physical condition throughout the pregnancy, vaccinate with Pneumabort-K at 5, 7, and 9 months of pregnancy, and deworm regularly with an FDA approved agent for pregnant mares or all return privileges and stud fees are forfeited.
9. Should the mare abort or the foal fail to stand and nurse, it is the responsibility of the mare owner to inform Al-Marah Arabians in writing attested to by a licensed veterinarian within 10 days of the event. In either case Al-Marah agrees to rebreed the mare as soon as she is fit. A handling fee of \$250.00 is payable to Al-Marah in the event of rebreeding.
10. It is the mare owner's responsibility to comply with the Arabian Horse Registry requirements regarding DNA typing of mare and foal to prove parentage. Please review the enclosed Semen Transportation Rules from the Arabian Horse Association.
11. If, after breeding through three (3) heat cycles the mare fails to conceive, Al-Marah offers the following options:
 - A. The mare owner may ship the mare to Al-Marah Arabians for reproductive evaluation and live breeding or artificial insemination in the same or next breeding season. The mare owner is responsible for transportation costs and arrangements. The mare owner is responsible for board, vet, farrier etc. and a \$250.00 handling fee for rebreeding.
 - B. Al-Marah Arabians may elect to allow a substitute mare, but is not required to do so.
12. The mare owner agrees to have the mare examined by a licensed veterinarian (1) by an early ultrasound scan at 17 to 20 days, and (2) by palpation at 45 days after the last day inseminated and to notify Al-marah of the mare's pregnancy status.
13. Should the mare die or become unfit for breeding due to conditions other than neglect, Al-Marah will permit the owner to substitute another mare prior to the first shipment of semen and upon written request and completion of a new breeding contract.
14. Al-Marah assumes responsibility only to ship semen in viable condition at the time of shipment to the facility or veterinarian. The semen must be administered at the facility by a licensed veterinarian.
15. The mare owner shall assume all responsibility for the condition of the mare and shall bear all risk of loss or damage to the mare whether by death, disease, injury, infection, accident, sickness or otherwise, or by any cause whatsoever, and therefore agrees to hold Al-Marah Arabians or any person employed by or associated with Al-Marah Arabians and/or agent harmless for any and all damages associated therewith.
16. This contract may not be assigned or transferred without the written consent of Al-Marah Arabians. Al-Marah reserves the right to offer an exchange of stallion used "at our discretion" due to extenuating circumstances, i.e. availability of stallion due to show schedule, extreme temperatures, lease to third party, etc.

17. Any disputes arising out of this contract shall be settled under the laws of the State of Arizona, U.S.A.
